## The Fate of Sir John F. anklin.

The tidings by the Fox are fall and reliable. In June 1848, eleven long years ago, perished from exposure on the ice of Port William the lamented English voyager to the North Pole. Particulars in the telegraphic column will be rend with mournful interest. A more detailed narrative will be given hereafter in our news

### LATEST BY TELEGRAPH Three Days Later from Europe .-- Arri-

val of the Canada. SACKVILLE, N. B., October 6.

The steamship Canada arrived at Halifax yesterday at noon, with Liverpool dates to the

The horse express, with dispatches for the Associated Press, reached here this morning, but the telegraph wires having been disarranged by the storm yesterday, no communication could be dispatched until noon to-day.

The following is abstract of the commercial intelligence furnished by the Canada.

Liverroot, September 23 Lower qualities of cotton have declined during the week 1/4d. Breadstuffs of all qualities show a declining tendency. Provisions close stendy.

LONDON MONEY MARKET. LONDON, September 23.

Money is decidedly more stringent. Consols closed at 95%. Money shows an average business without any quotable change.

The express rider reports the roads between thatifax and this point as badly damaged by the recent storm. Eight bridges on the route have been swept away. The steamer Ariel from New York, bound to Havre, touched at Southampton on the 23d ult.

LIVERPOOL, September 23. The sales of Cotton for the week have been 45,000 bales. The quotations of new American Flour are 25@26s. per barrel.

The telegraph lines between Sackville and

Boston are working badly, and no general news has come to hand.

LIVERPOOL MARKET.

Liverpool, September 23.

Cotton: cales for the past week have been 45,000 bales, including 10,000 bales to speculators and 2,000 to exporters. All qualities have declined 1/2d, and for inferior grades the decline is still more. Holders offer freely but show no disposition to press sales. The sales to-day have been 6,000 bales, closing quiet but steady: Orleans fair 7½d; middling 6 15-16d. Mobile 7½d.; middling 65½d. Uplands fair 7½d; middling 65½d. The stock in part is 592,300 bales, including 450,000 America. ales, inc Manchester advices are favorable, the

ican. Manchester advices are favorable, the market for goods closing quiet but dull.

Breadstaffs.—All qualities show a declining tendency. Messrs. Richardson & Spence report Flour dull and quotations barely maintained. American quoted at 25@26s. per brl. Wheat dull at a decline of 1@2d. per cental: sales old at 7s. 4d.@9s.; white 9s.@9s. 4d. Corn dull at decline of 6d.; mixed 5s. 8d.@6s. 1d.; yellow 5s. 9d.@6s. 2d.; white 7s.@7s. 6d. Provisions.—Market closes steady. Beef

Provisions .- Market closes steady. Beef steady. Pork quiet and quotations nominal. Bacon dull and holders are pressing on the

Produce.-Sugar steady and in better demand. Coffee quiet: all qualities have slightly declined. Rice quiet. Resin firm and all qualities have advanced: sales common at 4s. 2d. 64s. 3d., closing at 4s. 9d. Spirits Tur-pentine stendy at 35s. 6d. @36s. Tea closed

LIVERPOOL, September 24.

The estimated sales of Cotton to-day are 7,000 bales, including 2,000 bales for export.

The market closes quiet.

The Arctic steamer Fox had returned with interesting records and relics of the Franklin expedition, from which it appears that Sir John Franklin died in 1847, and the ship was abandoned in 1848.

The King of Belgium's proposition to settle the Italian question was reported to have been accepted by Napoleon. It includes an European Congress to assemble at Brussels. The statements regarding the other provinions were conflicting.

The London Herald has reason for believ-

ing that a definite treaty of peace will soon be concluded at Zurich, bearing, however, only the signatures of France and Austria.

The preliminaries of Villa Franca will be strictly maintained.

A dispatch from Berne says that a courier from Vienna had reached Zurich with instructions to draw up a treaty of peace and a document for the cession of Lombardy to Sardinia.

No allusion was made to the Duchies, The Arctic expedition found at Point Williams a record, dated April 25, 1848, signed by Captains Crozier and Fitz James, saying that the Erebus and Terror were abandoned three days previously in the ice, and that one hundred and five survivors were proceeding to Great Fish River; that Sir John Franklin had died in June of the previous year, and that the total deaths to date were nine officers and fifteen men.

were nine officers and fifteen men.

Many interesting relies were found on the western shore of King William's Island. Others were obtained from the Esquimaux, who stated that after the abandonment of the ships, one was crushed by the ice and the other forced ashore. Several skeletons of Franklin's men, quantities of clothing and a duplicate record up to the abandonment of the ship, were discovered.

The English journals continue to discuss the San Juan question, generally in conciliat-

the San Juan question, generally in conciliat-

ing language. Large reinforcements for China were to leave England by the overland route. A part of the squadron for the China service

had already sailed.

The Daily News's city article says.—"The funds on Friday were stationary in prices and transactions being on a scat scale."

"The day were stationary in prices and transactions being on a scat scale."

The Time's city article "Notwithstanding the near approach of the end of the quarter, there is undiminished case in the discount market, and considerable transactions

take place at 2½ per cent."

Eabert Stephenson, the eminent engineer, is

The London Times Paris correspondent says that one report was, that the question of the Duchies had been settled, and that Tuscany was to be reigned over by the King of the was to be regned over by the King of the Relgian's second son; and report says that the Court of Flanders is to have the Italian Duchies, and the Archduke Maximilian, Venitia, with seperate constitutions. These reports are authorities and must be taken for what they are worth.

for what they are worth. Another Paris rumor was that there was to be no Chinese expedition; that the heads of the mandarins offending at Pehio had been proffered in atonement, coupled with promises to make all the satisfaction that can be required, and that the embassadors will be immediately received at Pekin. It is ex-pected that the King of Belgium, Prince Richard Metternich and Count Walewski will remain at Biarritz until the departure of the

Emperor, at the end of September.

Prince Ponintowaski had quitted Italy for Biarritz. Lord Cowley had not gone to Biarritz, as was expected, and it was thought he would not go.

The Paris correspondent of the London Herald regards the scheme of placing a Belgian Prince on the Tuscan throne as a ridiculous

The Times's Paris correspondent again draws attention to the great activity in the French dock-yards, and states that he has been assured that there was now building or under orders to be built, twenty ships-of-the-line,ten of the very largest size, and the others of inferior calibro, but all strictly fighting ships, steel-plated and provided with iron beaks and

Numerous exiles had arrived at Marseilles, the sumesty including Blanque and Berschat. The Consul General of the Melle has requested

permission to cultivate and manufacture to-bacco there.

The Paris Bourse had been firm and animated. The rentes on the 23d had advanced

The Paris correspondent of the London 'ator, who has on several occasions comthat a spoleon accepts the plan of the King of the beginns, which it to give the fortresses of Pescheira and Mantua, and the States of Parma and Modena to Sardinia, to States of Parma and Lorenia in Tuscany, reinstate the house of Lorenia in Tuscany. mun. reinstate the house of Lorein in Tuscany, and restore the Legations to the Pope. After the introduction of a variety of reforms, Venetia is to have governmental institutions and an army of its own, under the Archduke Ferdinand Maximillian, with the title of Grand Duke of Venitia. This stipulation

has the concurrence of Austria.

A conference is also to be held at Brussels, A conference is also to be neld at Brussels, presided over by the King. This letter is dated on the evening of the 22d.

The Paris Patrie has an article which par-

tially of ulirms this statement.

ITALY -- The Sardinian Government has addressed a circular to the Great Powers, denying the cessation of Savoy to France and declaring such rumors entirely void of founda-

The Sardinian Government is also said to have protested to the Great Powers the secret aid afforded by Aus, ria in recruiting soldiers

for the Pape.
Evidence was being published to prove that Parma, under the government of the Duchess, did not maintain a neutral attitude during the

The King of Sardinia was most enthusiasti cali, received on his visit to Paris, Lodi, &c. The Pope remained in a very alarming state and Card, al Antonelli had declared him unfit

to attend to public affairs.

SwitzerLand.—The Lansine Gazette says that the Minister of the United States, Mr. that the Minister a long memorial to the Fay, has presented a long memorial to the Fay, bas presented a long memorial to the Fay. Fay, has presented a foliage interest to the Federal Council, praying a fit to intervene with the Cantons which perseve the United States, tolerant measures against his diffication of the with a view of obtaining a modification of the

SPAIN.—The report that Seviano had been appointed Captain-General of Cuba, was had confirmed. It is reported that England

offered to mediate in the case with Morocco.
Tunkey.—Amicable relations have been established between Turkey and Persia. Matters at Candia were of a very serious character, and numerous troops had been sent thither. Schamyl was betrayed by a bribe of 6,000,000 roubles. The Circussians continue in war with Paris, September 24.

The King of the Belgians was to leave Birritz last night for Genon, where, it is said, he is to confer with several important personages. It is suppposed that his journe, s connected with the proposed Congress at

The report of the foundation of the Kingdom of Central Italy, under the Count of Flanders, is positively denied.

London, September 24.
In the treaty with the Cochin Chinese, the French Admiral obtained four important concessions, viz: The exercise of the Christian eligion; a treaty of commerce; the cession of the town of Segan and adjoining territory, and the recognition of the right of the French to the Bay Suren.

The health of the King of Prussia is worse.
The harvest of Belgium will be only two-

thirds of the average.

The Paris correspondent of the London

"Cherbourg is about to be armed completely on a war footing, with rifled-cannon for all the batteries."

### Western News. Sr. Louis, October 7.

A dispatch from Independence says that the mail which left there on the 27th ult. for Santa Fe was attacked by the Indiana when beyond Pawnee Fork. The conductor and snother man were killed. The incoming mail due on Tuesday has not yet arrived here, and fears are entertained for its safety.

A special dispatch from Independence to A special dispatch from Independence to the Republican says that Mr. Otero, delegate to Congress from New Mexico, and wife, Judge Watts, wife and son, Judge Porter and Mr. Crenshaw, are presumed to be with the incoming Santa Fe Mail party, for whose safety much anxiety is felt. The attack on the outgoing mail was made by the Kiowa Indians on the 24th ult. The dispatch also says that another mail can not leave until a

says that another mail can not leave until a military escort is furnished. Another dispatch from Atchison to the Republican announces the arrival of the Salt Republican announces the arrival of the Salt Lake Mail with dates to the 16th. A party of emigrants from Louisa County, Iowa, and Linn County, Missouri, was attacked by the Shoshone Indians near Marsh Valley. A. L. Root was killed and J. W. Pauline, Wesley Foeum and Thomas Blunt, were wounded. The Indians took all their cattle and burned their wagons. Another party from Burlington was attacked in the same vicinity. One man was killed and one wounded. Lord Grosvenor arrived at Salt Lake on the 5th ult., en route to California and China. Col. Chapman's com-mand had arrived and relieved Col. Ruggles, who left on the 8th ult. for Fort Leavenworth.

# The Cricket Match.

NEW YORK, October 7. The playing of to-day in the cricket match was very line, the fielding and bowling being

excellent. Sharp, (run out,) 3; Jackson, c. Lockyer, b

Stephenson sent in his men at half-past four, and when the time to draw the stumps had arvived the score stood as follows: Long, c. Cea-

Six overs or twenty-four balls, were bowled for this result. The match will be resumed

WASHINGTON, October 7. There is but little additional intelligence to day relative to the fillibusters. One official dispatch from New Orleans states that the tow-boat Hunther had been seized, together with the captain and crew, and arrangements have been made to arrest the party who went down the river as far as South Pass in that vessel. The opinion is expressed in the same dispatch that the whole scheme has been frustrated.

The recent removals and changes in the Philadelphis Navy Yard creates some trouble here for certain dignitaries, and promises some rich developments, which will strike hard at the Navy Department, and will not be pleasant for some of Mr. Buchanan's government officials in Philadelphia.

### Michigan State Fair.

DETROIT, October 7.
The Michigan Agricultural Fair closed today, having been the most successful ever
held in this State. Every department was
complete, and the crowd in attendance was unprecedented. Waters's steam-plow was exhibited, and attracted special attention. The annual address was delivered yesterday afternoon by Governor Banks, who, with Governor Wisner, and Senators Bingham and Chantler, was escorted to the grounds by the military and fire companies. military and fire companies.

# River News.

Pirranuna, October 7-M.
River three feet six inches by the pier-mark and falling. Weather clear and cool.

Sr. Louis, October 7-P. M. River fallen about an inch in the last twenty-four hours, and is still receding slowly. Nothing new from any of the upper streams; all are low, and on the decline. Weather cloudy and warm, portending rain.

### Episcopal Convention.

RICHMOND, VA., October 7.

In the house of clerical and lay deputies, the order of the day being the consideration of the third article of the constitution was postponed. The dioceses of Kansas and Minnesota were admitted to the convention by the concurrent action of both houses. The house of deputies voted to hold the next triemnial convention at Chicago. triennial convention at Chicago.

American Board of Foreign Missions. PHILADELPHIA, October 7.

The Board of Commissioners of Foreign Missions continued evening session till ten o'clock this morning, debating the report of the Prudential Committee recommending the discontinuance of the Chectaw Mission. The report was finally adopted.

### From Kansas.

LEAVENWORTH, October 7.
The adoption of the Wyandotte Constitution is rendered certain by the reception of returns from the most important counties. The majority will probably reach 4,000.

Arrival of the Fulton. Sandy Hook, October 7.
The steamer Fulton, from Southampton on the 21st ult., has been signaled. Her advices have been anticipated.

## From Pike's Peak.

LEAVENWORTH, October 7. The Denver City Express, with dates to the 30th ult., reached here last night, bringing \$9,000 in gold. The news is unimportant.
